

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
1(1)	N/A	This Act may be cited as the Personal Data Protection Act 2010.	Functional	No Relationship	N/A	N/A	N/A	0	
1(2)	N/A	This Act comes into operation on a date to be appointed by the Minister by notification in the Gazette, and the Minister may appoint different dates for different provisions of this Act. Application	Functional	No Relationship	N/A	N/A	N/A	0	
2(1)	Application	This Act applies to—	Functional	No Relationship	N/A	N/A	N/A	0	
2(1)(a)	Application	any person who processes; and	Functional	No Relationship	N/A	N/A	N/A	0	
2(1)(b)	Application	any person who has control over or authorizes the processing of, any personal data in respect of commercial transactions.	Functional	No Relationship	N/A	N/A	N/A	0	
2(2)	Application	Subject to subsection (1), this Act applies to a person in respect of personal data if—	Functional	No Relationship	N/A	N/A	N/A	0	
2(2)(a)	Application	the person is established in Malaysia and the personal data is processed, whether or not in the context of that establishment, by that person or any other person employed or engaged by that establishment; or	Functional	No Relationship	N/A	N/A	N/A	0	
2(2)(b)	Application	the person is not established in Malaysia, but uses equipment in Malaysia for processing the personal data otherwise than for the purposes of transit through Malaysia.	Functional	No Relationship	N/A	N/A	N/A	0	
2(3)	Application	A person falling within paragraph (2)(b) shall nominate for the purposes of this Act a representative established in Malaysia.	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)	Application	For the purposes of subsections (2) and (3), each of the following is to be treated as established in Malaysia:	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(a)	Application	an individual whose physical presence in Malaysia shall not be less than one hundred and eighty days in one calendar year;	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(b)	Application	a body incorporated under the "Companies Act 1965 [Act 125];	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(c)	Application	a partnership or other unincorporated association formed under any written laws in Malaysia; and	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(d)	Application	any person who does not fall within paragraph (a), (b) or (c) but maintains in Malaysia—	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(d)(i)	Application	an office, branch or agency through which he carries on any activity; or	Functional	No Relationship	N/A	N/A	N/A	0	
2(4)(d)(ii)	Application	a regular practice. Non-application	Functional	No Relationship	N/A	N/A	N/A	0	
3(1)	Non-application	This Act shall not apply to the Federal Government and State Governments. [Act 777] which comes into operation on 31 January 2017 – see subsection 620(1) of Act 777.	Functional	No Relationship	N/A	N/A	N/A	0	
3(2)	Non-application	This Act shall not apply to any personal data processed outside Malaysia unless that personal data is intended to be further processed in Malaysia. Interpretation	Functional	No Relationship	N/A	N/A	N/A	0	
4	Interpretation	In this Act, unless the context otherwise requires— "credit reporting agency" has the meaning assigned to it in the Credit Reporting Agencies Act 2010 [Act 710]; "this Act" includes regulations, orders, notifications and other subsidiary legislation made under this Act; "register" means the Register of Data Users, Register of Data User Forums or Register of Codes of Practice; "personal data" means any information in respect of commercial transactions, which—	Functional	No Relationship	N/A	N/A	N/A	0	
4(a)	Interpretation	is being processed wholly or partly by means of equipment operating automatically in response to instructions given for that purpose;	Functional	No Relationship	N/A	N/A	N/A	0	
4(b)	Interpretation	is recorded with the intention that it should wholly or partly be processed by means of such equipment; or	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)	Interpretation	is recorded as part of a relevant filing system or with the intention that it should form part of a relevant filing system, that relates directly or indirectly to a data subject, who is identified or identifiable from that information or from that and other information in the possession of a data user, including any sensitive personal data and expression of opinion about the data subject; but does not include any information that is processed for the purpose of a credit reporting business carried on by a credit reporting agency under the Credit Reporting Agencies Act 2010; "sensitive personal data" means any personal data consisting of information as to the physical or mental health or condition of a data subject, his political opinions, his religious beliefs or other beliefs of a similar nature, the commission or alleged commission by him of any offence or any other personal data as the Minister may determine by order published in the Gazette; "prescribed" means prescribed by the Minister under this Act and where no mode is mentioned, means prescribed by order published in the Gazette; "Advisory Committee" means the Personal Data Protection Advisory Committee established under section 70; "vital interests" means matters relating to life, death or security of a data subject; "Fund" means the Personal Data Protection Fund established under section 61; "use", in relation to personal data, does not include the act of collecting or disclosing such personal data; "collect", in relation to personal data, means an act by which such personal data enters into or comes under the control of a data user; "Minister" means the Minister charged with the responsibility for the protection of personal data; "disclose", in relation to personal data, means an act by which such personal data is made available by a data user; "relevant person", in relation to a data subject, howsoever described, means—	Functional	No Relationship	N/A	N/A	N/A	0	
4(a)	Interpretation	in the case of a data subject who is below the age of eighteen years, the parent, guardian or person who has parental responsibility for the data subject;	Functional	No Relationship	N/A	N/A	N/A	0	
4(b)	Interpretation	in the case of a data subject who is incapable of managing his own affairs, a person who is appointed by a court to manage those affairs, or a person authorized in writing by the data subject to act on behalf of the data subject; or	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)	Interpretation	in any other case, a person authorized in writing by the data subject to make a data access request, data correction request, or both such requests, on behalf of the data subject; "authorized officer" means any officer authorized in writing by the Commissioner under section 110; "correction", in relation to personal data, includes amendment, variation, modification or deletion; "requestor", in relation to a data access request or data correction request, means the data subject or the relevant person on behalf of the data subject, who has made the request; "data processor", in relation to personal data, means any person, other than an employee of the data user, who processes the personal data solely on behalf of the data user, and does not process the personal data for any of his own purposes; "processing", in relation to personal data, means collecting, recording, holding or storing the personal data or carrying out any operation or set of operations on the personal data, including—	Functional	No Relationship	N/A	N/A	N/A	0	
4(a)	Interpretation	the organization, adaptation or alteration of personal data;	Functional	No Relationship	N/A	N/A	N/A	0	
4(b)	Interpretation	the retrieval, consultation or use of personal data;	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)	Interpretation	the disclosure of personal data by transmission, transfer, dissemination or otherwise making available; or	Functional	No Relationship	N/A	N/A	N/A	0	
4(d)	Interpretation	the alignment, combination, correction, erasure or destruction of personal data; "registration" means the registration of a data user under section 16; "data user" means a person who either alone or jointly or in common with other persons processes any personal data or has control over or authorizes the processing of any personal data, but does not include a data processor; "relevant data user", in relation to—	Functional	No Relationship	N/A	N/A	N/A	0	
4(a)	Interpretation	an inspection, means the data user who uses the personal data system which is the subject of the inspection;	Functional	No Relationship	N/A	N/A	N/A	0	
4(b)	Interpretation	a complaint, means the data user specified in the complaint;	Functional	No Relationship	N/A	N/A	N/A	0	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
4(c)	Interpretation	an investigation—	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)(i)	Interpretation	in the case of an investigation initiated by a complaint, means the data user specified in the complaint;	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)(ii)	Interpretation	in any other case, means the data user who is the subject of the investigation;	Functional	No Relationship	N/A	N/A	N/A	0	
4(d)	Interpretation	an enforcement notice, means the data user on whom the enforcement notice is served; "credit reporting business" has the meaning assigned to it in the Credit Reporting Agencies Act 2010; "Commissioner" means the Personal Data Protection Commissioner appointed under section 47; "third party", in relation to personal data, means any person other than—	Functional	No Relationship	N/A	N/A	N/A	0	
4(a)	Interpretation	a data subject;	Functional	No Relationship	N/A	N/A	N/A	0	
4(b)	Interpretation	a relevant person in relation to a data subject;	Functional	No Relationship	N/A	N/A	N/A	0	
4(c)	Interpretation	a data user;	Functional	No Relationship	N/A	N/A	N/A	0	
4(d)	Interpretation	a data processor; or	Functional	No Relationship	N/A	N/A	N/A	0	
4(e)	Interpretation	a person authorized in writing by the data user to process the personal data under the direct control of the data user; "relevant filing system" means any set of information relating to individuals to the extent that, although the information is not processed by means of equipment operating automatically in response to instructions given for that purpose, the set of information is structured, either by reference to individuals or by reference to criteria relating to individuals, in such a way that specific information relating to a particular individual is readily accessible; "data subject" means an individual who is the subject of the personal data; "appointed date" means the relevant date or dates, as the case may be, on which this Act comes into operation; "code of practice" means the personal data protection code of practice in respect of a specific class of data users registered by the Commissioner pursuant to section 23 or issued by the Commissioner under section 24; "commercial transactions" means any transaction of a commercial nature, whether contractual or not, which includes any matters relating to the supply or exchange of goods or services, agency, investments, financing, banking and insurance, but does not include a credit reporting business carried out by a credit reporting agency under the Credit Reporting Agencies Act 2010.	Functional	No Relationship	N/A	N/A	N/A	0	
5(1)	N/A	The processing of personal data by a data user shall be in compliance with the following, namely:	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(a)	N/A	the General Principle;	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(b)	N/A	the Notice and Choice Principle;	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(c)	N/A	the Disclosure Principle;	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(d)	N/A	the Security Principle;	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(e)	N/A	the Retention Principle;	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(f)	N/A	the Data Integrity Principle; and	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(1)(g)	N/A	the Access Principle, as set out in sections 6, 7, 8, 9, 10, 11 and 12.	Functional	Intersects With	Reasonable Data Privacy Practices	PRI-01.11	Mechanisms exist to limit the collection, receiving, processing, storage, transmission, sharing, updating and/or disposal of Personal Data (PD) according to reasonable consumer expectations for what is necessary and proportionate.	5	
5(2)	N/A	Subject to sections 45 and 46, a data user who contravenes subsection (1) commits an offence and shall, on conviction, be liable to a fine not exceeding three hundred thousand ringgit or to imprisonment for a term not exceeding two years or to both. General Principle	Functional	No Relationship	N/A	N/A	N/A	0	
6(1)	General Principle	A data user shall not—	Functional	No Relationship	N/A	N/A	N/A	0	
6(1)(a)	General Principle	in the case of personal data other than sensitive personal data, process personal data about a data subject unless the data subject has given his consent to the processing of the personal data; or	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(1)(b)	General Principle	in the case of sensitive personal data, process sensitive personal data about a data subject except in accordance with the provisions of section 40.	Functional	No Relationship	N/A	N/A	N/A	0	
6(2)	General Principle	Notwithstanding paragraph (1)(a), a data user may process personal data about a data subject if the processing is necessary—	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(2)(a)	General Principle	for the performance of a contract to which the data subject is a party;	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(2)(b)	General Principle	for the taking of steps at the request of the data subject with a view to entering into a contract;	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(2)(c)	General Principle	for compliance with any legal obligation to which the data user is the subject, other than an obligation imposed by a contract;	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
6(2)(d)	General Principle	in order to protect the vital interests of the data subject;	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(2)(e)	General Principle	for the administration of justice; or	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(2)(f)	General Principle	for the exercise of any functions conferred on any person by or under any law.	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(3)	General Principle	Personal data shall not be processed unless—	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(3)(a)	General Principle	the personal data is processed for a lawful purpose directly related to an activity of the data user;	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(3)(b)	General Principle	the processing of the personal data is necessary for or directly related to that purpose; and	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
6(3)(c)	General Principle	the personal data is adequate but not excessive in relation to that purpose. Notice and Choice Principle	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
7(1)	Notice and Choice Principle	A data user shall by written notice inform a data subject—	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(a)	Notice and Choice Principle	that personal data of the data subject is being processed by or on behalf of the data user, and shall provide a description of the personal data to that data subject;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(b)	Notice and Choice Principle	the purposes for which the personal data is being or is to be collected and further processed;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(c)	Notice and Choice Principle	of any information available to the data user as to the source of that personal data;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
7(1)(d)	Notice and Choice Principle	of the data subject's right to request access to and to request correction of the personal data and how to contact the data user with any inquiries or complaints in respect of the personal data;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(e)	Notice and Choice Principle	of the class of third parties to whom the data user discloses or may disclose the personal data;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(f)	Notice and Choice Principle	of the choices and means the data user offers the data subject for limiting the processing of personal data, including personal data relating to other persons who may be identified from that personal data;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(g)	Notice and Choice Principle	whether it is obligatory or voluntary for the data subject to supply the personal data; and	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(1)(h)	Notice and Choice Principle	where it is obligatory for the data subject to supply the personal data, the consequences for the data subject if he fails to supply the personal data.	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(2)	Notice and Choice Principle	The notice under subsection (1) shall be given as soon as practicable by the data user—	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(2)(a)	Notice and Choice Principle	when the data subject is first asked by the data user to provide his personal data;	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5

7(2)(b)	Notice and Choice Principle	when the data user first collects the personal data of the data subject; or	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(2)(c)	Notice and Choice Principle	in any other case, before the data user—	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(2)(c)(i)	Notice and Choice Principle	uses the personal data of the data subject for a purpose other than the purpose for which the personal data was collected; or	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(2)(c)(ii)	Notice and Choice Principle	discloses the personal data to a third party.	Functional	Intersects With	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations; (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
7(3)	Notice and Choice Principle	A notice under subsection (1) shall be in the national and English languages, and the individual shall be provided with a clear and readily accessible means to exercise his choice, where necessary, in the national and English languages. Disclosure Principle	Functional	Intersects With	Data Subject Consent	PRI-03	Mechanisms exist to enable data subjects to authorize the collection, receipt, processing, storage, transmission, sharing, updating and/or disposal of their Personal Data (PD), where the data subject is provided, prior to collection, with: (1) Plain language explaining the potential data privacy risks of the authorization; (2) A means to decline the authorization; and (3) Necessary choice and consent-related criteria required by applicable statutory, regulatory and contractual obligations.	5	
8	Disclosure Principle	Subject to section 39, no personal data shall, without the consent of the data subject, be disclosed—	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
8(a)	Disclosure Principle	for any purpose other than—	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
8(a)(i)	Disclosure Principle	the purpose for which the personal data was to be disclosed at the time of collection of the personal data; or	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
8(a)(ii)	Disclosure Principle	a purpose directly related to the purpose referred to in subparagraph (i); or	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
8(b)	Disclosure Principle	to any party other than a third party of the class of third parties as specified in paragraph 7(1)(e). Security Principle	Functional	Intersects With	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, sharing and/or updating Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
9(1)	Security Principle	A data user shall, when processing personal data, take practical steps to protect the personal data from any loss, misuse, modification, unauthorized or accidental access or disclosure, alteration or destruction by having regard—	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(1)(a)	Security Principle	to the nature of the personal data and the harm that would result from such loss, misuse, modification, unauthorized or accidental access or disclosure, alteration or destruction;	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(1)(b)	Security Principle	to the place or location where the personal data is stored;	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
9(1)(c)	Security Principle	to any security measures incorporated into any equipment in which the personal data is stored;	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(1)(d)	Security Principle	to the measures taken for ensuring the reliability, integrity and competence of personnel having access to the personal data; and	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(1)(e)	Security Principle	to the measures taken for ensuring the secure transfer of the personal data.	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(2)	Security Principle	Where processing of personal data is carried out by a data processor on behalf of the data user, the data user shall, for the purpose of protecting the personal data from any loss, misuse, modification, unauthorized or accidental access or disclosure, alteration or destruction, ensure that the data processor—	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(2)(a)	Security Principle	provides sufficient guarantees in respect of the technical and organizational security measures governing the processing to be carried out; and	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
9(2)(b)	Security Principle	takes reasonable steps to ensure compliance with those measures.	Functional	Intersects With	Security of Personal Data (PD)	PRI-01.6	Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD.	5	
10(1)	Retention Principle	The personal data processed for any purpose shall not be kept longer than is necessary for the fulfillment of that purpose.	Functional	Intersects With	Personal Data (PD) Retention & Disposal	PRI-05	Mechanisms exist to: (1) Retain Personal Data (PD), including metadata, for an organization-defined time period to fulfill the purpose(s) identified in the notice or as required by law; (2) Dispose of, destroys, erases, and/or anonymizes the PD, regardless of the method of storage; and (3) Use organization-defined techniques or methods to ensure secure deletion or destruction of PD (including originals, copies and archived records).	5	
10(2)	Retention Principle	It shall be the duty of a data user to take all reasonable steps to ensure that all personal data is destroyed or permanently deleted if it is no longer required for the purpose for which it was to be processed. Data Integrity Principle	Functional	Intersects With	Personal Data (PD) Retention & Disposal	PRI-05	Mechanisms exist to: (1) Retain Personal Data (PD), including metadata, for an organization-defined time period to fulfill the purpose(s) identified in the notice or as required by law; (2) Dispose of, destroys, erases, and/or anonymizes the PD, regardless of the method of storage; and (3) Use organization-defined techniques or methods to ensure secure deletion or destruction of PD (including originals, copies and archived records).	5	
11	Data Integrity Principle	A data user shall take reasonable steps to ensure that the personal data is accurate, complete, not misleading and kept up-to-date by having regard to the purpose, including any directly related purpose, for which the personal data was collected and further processed. Access Principle	Functional	Intersects With	Personal Data (PD) Accuracy & Integrity	PRI-05.2	Mechanisms exist to ensure the accuracy and relevance of Personal Data (PD) throughout the information lifecycle by: (1) Keeping PD up-to-date; and (2) Remediating identified inaccuracies, as necessary.	5	
12	Access Principle	A data subject shall be given access to his personal data held by a data user and be able to correct that personal data where the personal data is inaccurate, incomplete, misleading or not up-to-date, except where compliance with a request to such access or correction is refused under this Act. Application of this Division	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
13(1)	Application of this Division	This Division shall apply to a data user who belongs to a class of data users as specified in the order made under subsection 14(1).	Functional	No Relationship	N/A	N/A	N/A	0	
13(2)	Application of this Division	A data user who belongs to a class of data users not specified in the order made under subsection 14(1) shall comply with all the provisions of this Act other than the provisions of this Division relating to the registration of data users and matters connected thereto, of data users	Functional	No Relationship	N/A	N/A	N/A	0	
14(1)	Registration of data users	The Minister may, upon the recommendation of the Commissioner, by order published in the Gazette, specify a class of data users who shall be required to be registered as data users under this Act.	Functional	No Relationship	N/A	N/A	N/A	0	
14(2)	Registration of data users	The Commissioner shall, before making his recommendation under subsection (1), consult with—	Functional	No Relationship	N/A	N/A	N/A	0	
14(2)(a)	Registration of data users	such bodies representative of data users belonging to that class; or	Functional	No Relationship	N/A	N/A	N/A	0	
14(2)(b)	Registration of data users	such other interested persons. Application for registration	Functional	No Relationship	N/A	N/A	N/A	0	
15(1)	Application for registration	A person who belongs to the class of data users as specified in the order made under subsection 14(1) shall submit an application for registration to the Commissioner in the manner and form as determined by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
15(2)	Application for registration	Every application for registration shall be accompanied with the prescribed registration fee and such documents as may be required by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
15(3)	Application for registration	The Commissioner may in writing at any time after receiving the application and before it is determined, require the applicant to provide such additional documents or information within the time as specified by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
15(4)	Application for registration	If the requirement under subsection (3) is not complied with, the application for registration shall be deemed to have been withdrawn by the applicant and shall not be further proceeded with by the Commissioner, but without prejudice to a fresh application being made by the applicant. Certificate of registration	Functional	No Relationship	N/A	N/A	N/A	0	
16(1)	Certificate of registration	After having given due consideration to an application under subsection 15(1), the Commissioner may—	Functional	No Relationship	N/A	N/A	N/A	0	
16(1)(a)	Certificate of registration	register the applicant and issue a certificate of registration to the applicant in such form as determined by the Commissioner; or	Functional	No Relationship	N/A	N/A	N/A	0	
16(1)(b)	Certificate of registration	refuse the application.	Functional	No Relationship	N/A	N/A	N/A	0	
16(2)	Certificate of registration	The certificate of registration may be issued subject to such conditions or restrictions as the Commissioner may think fit to impose.	Functional	No Relationship	N/A	N/A	N/A	0	
16(3)	Certificate of registration	Where the Commissioner refuses the application for registration in pursuance of subsection (1), he shall inform the applicant by a written notice that the application has been refused and the reasons for the refusal.	Functional	No Relationship	N/A	N/A	N/A	0	
16(4)	Certificate of registration	A person who belongs to the class of data users as specified in the order made under subsection 14(1) and who processes personal data without a certificate of registration issued in pursuance of paragraph 16(1)(a) commits an offence and shall, on conviction, be liable to a fine not exceeding five hundred thousand ringgit or to imprisonment for a term not exceeding three years or to both. Renewal of certificate of registration	Functional	No Relationship	N/A	N/A	N/A	0

17(1)	Renewal of certificate of registration	A data user may make an application for the renewal of the certificate of registration not later than ninety days before the date of expiry of the certificate of registration in the manner and form as determined by the Commissioner and the application shall be accompanied with the prescribed renewal fee and such documents as may be required by the Commissioner, but no application for renewal shall be allowed where the application is made after the date of expiry of the certificate of registration.	Functional	No Relationship	N/A	N/A	N/A	0	
17(2)	Renewal of certificate of registration	When renewing a certificate of registration, the Commissioner may vary the conditions or restrictions imposed upon the issuance of the certificate of registration or impose additional conditions or restrictions.	Functional	No Relationship	N/A	N/A	N/A	0	
17(3)	Renewal of certificate of registration	The Commissioner may refuse to renew a certificate of registration—	Functional	No Relationship	N/A	N/A	N/A	0	
17(3)(a)	Renewal of certificate of registration	if the data user has failed to comply with any of the provisions of this Act;	Functional	No Relationship	N/A	N/A	N/A	0	
17(3)(b)	Renewal of certificate of registration	if the data user has failed to comply with any conditions or restrictions imposed upon the issuance of the certificate of registration; or	Functional	No Relationship	N/A	N/A	N/A	0	
17(3)(c)	Renewal of certificate of registration	if he is satisfied that the data user is unable to continue the processing of personal data in accordance with this Act. Revocation of registration	Functional	No Relationship	N/A	N/A	N/A	0	
18(1)	Revocation of registration	The Commissioner may revoke the registration of a data user if the Commissioner is satisfied that—	Functional	No Relationship	N/A	N/A	N/A	0	
18(1)(a)	Revocation of registration	the data user has failed to comply with any of the provisions of this Act;	Functional	No Relationship	N/A	N/A	N/A	0	
18(1)(b)	Revocation of registration	the data user has failed to comply with any conditions or restrictions imposed upon the issuance of the certificate of registration;	Functional	No Relationship	N/A	N/A	N/A	0	
18(1)(c)	Revocation of registration	the issuance of the certificate of registration was induced by a false representation of fact by the data user; or	Functional	No Relationship	N/A	N/A	N/A	0	
18(1)(d)	Revocation of registration	the data user has ceased to carry on the processing of personal data.	Functional	No Relationship	N/A	N/A	N/A	0	
18(2)	Revocation of registration	Notwithstanding subsection (1), the Commissioner shall not revoke the registration of a data user unless the Commissioner is satisfied that, after giving the data user an opportunity of making any representation in writing he may wish to make, the registration should be revoked.	Functional	No Relationship	N/A	N/A	N/A	0	
18(3)	Revocation of registration	Where the registration of the data user is revoked, the Commissioner shall issue a notice of revocation of registration to the data user, and the certificate of registration issued in respect of such registration shall have no effect upon service of the notice of revocation of registration.	Functional	No Relationship	N/A	N/A	N/A	0	
18(4)	Revocation of registration	A data user whose registration has been revoked under this section and who continues to process personal data thereafter commits an offence and shall, on conviction, be liable to a fine not exceeding five hundred thousand ringgit or to imprisonment for a term not exceeding three years or to both. Surrender of certificate of registration	Functional	No Relationship	N/A	N/A	N/A	0	
19(1)	Surrender of certificate of registration	Where the certificate of registration is revoked in pursuance of section 18, the holder of the certificate shall, within seven days from the date of service of the notice of revocation of registration, surrender the certificate to the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
19(2)	Surrender of certificate of registration	A person who fails to comply with subsection (1) commits an offence and shall, on conviction, be liable to a fine not exceeding two hundred thousand ringgit or to imprisonment for a term not exceeding two years or to both. Register of Data Users	Functional	No Relationship	N/A	N/A	N/A	0	
20(1)	Register of Data Users	The Commissioner shall maintain a Register of Data Users in accordance with section 128.	Functional	No Relationship	N/A	N/A	N/A	0	
20(2)	Register of Data Users	The Register of Data Users shall contain the names of data users who have been registered in pursuance of this Division and any other particulars regarding such data users as may be determined by the Commissioner. Data user forum	Functional	No Relationship	N/A	N/A	N/A	0	
21(1)	Data user forum	The Commissioner may designate a body as a data user forum in respect of a specific class of data users for the purposes of this Act by notifying that body in writing, if the Commissioner is satisfied that—	Functional	No Relationship	N/A	N/A	N/A	0	
21(1)(a)	Data user forum	the membership of the body is open to all data users of that class;	Functional	No Relationship	N/A	N/A	N/A	0	
21(1)(b)	Data user forum	the body is capable of performing as required under the relevant provisions of this Act; and	Functional	No Relationship	N/A	N/A	N/A	0	
21(1)(c)	Data user forum	the body has a written constitution.	Functional	No Relationship	N/A	N/A	N/A	0	
21(2)	Data user forum	The body shall agree in writing to be a data user forum before the designation is registered by the Commissioner in the Register of Data User Forums.	Functional	No Relationship	N/A	N/A	N/A	0	
21(3)	Data user forum	The Commissioner may decide that an existing body that was previously designated as a data user forum under subsection (1) is no longer a data user forum for the purposes of this Act, if he is satisfied that the body no longer meets the requirements as set out in that subsection.	Functional	No Relationship	N/A	N/A	N/A	0	
21(4)	Data user forum	Where the Commissioner decides that an existing body which has been designated as a data user forum is no longer a data user forum for the purposes of this Act, he shall withdraw the designation and subsequently cancel the registration of the designation in the Register of Data User Forums.	Functional	No Relationship	N/A	N/A	N/A	0	
21(5)	Data user forum	A designation or withdrawal of designation under this section shall take effect from the date of registration of the designation or the date of cancellation of the registration of the designation, as the case may be, or such later date as specified by the Commissioner. Register of Data User Forums	Functional	No Relationship	N/A	N/A	N/A	0	
22(1)	Register of Data User Forums	The Commissioner shall maintain a Register of Data User Forums in accordance with section 128.	Functional	No Relationship	N/A	N/A	N/A	0	
22(2)	Register of Data User Forums	The Register of Data User Forums shall contain the names of data user forums which have been designated and registered in pursuance of this Division and any other particulars regarding such data user forums as may be determined by the Commissioner. Code of practice	Functional	No Relationship	N/A	N/A	N/A	0	
23(1)	Code of practice	A data user forum may prepare a code of practice—	Functional	No Relationship	N/A	N/A	N/A	0	
23(1)(a)	Code of practice	on its own initiative; or	Functional	No Relationship	N/A	N/A	N/A	0	
23(1)(b)	Code of practice	upon request by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
23(2)	Code of practice	The data user forum shall, in preparing a code of practice under subsection (1), consider matters including—	Functional	No Relationship	N/A	N/A	N/A	0	
23(2)(a)	Code of practice	the purpose for the processing of personal data by the data user or class of data users;	Functional	No Relationship	N/A	N/A	N/A	0	
23(2)(b)	Code of practice	the views of the data subjects or groups representing data subjects;	Functional	No Relationship	N/A	N/A	N/A	0	
23(2)(c)	Code of practice	the views of the relevant regulatory authority, if any, to which the data user is subject to; and	Functional	No Relationship	N/A	N/A	N/A	0	
23(2)(d)	Code of practice	that the code of practice, upon having regard to all of the matters in paragraphs (a), (b) and (c) and any other matters, offers an adequate level of protection for the personal data of the data subjects concerned.	Functional	No Relationship	N/A	N/A	N/A	0	
23(3)	Code of practice	The Commissioner may register the code of practice prepared pursuant to subsection (1), if the Commissioner is satisfied that—	Functional	No Relationship	N/A	N/A	N/A	0	
23(3)(a)	Code of practice	the code of practice is consistent with the provisions of this Act; and	Functional	No Relationship	N/A	N/A	N/A	0	
23(3)(b)	Code of practice	the matters as set out in subsection (2) have been given due consideration.	Functional	No Relationship	N/A	N/A	N/A	0	
23(4)	Code of practice	The code of practice under subsection (1) shall take effect on the date of registration of the code of practice by the Commissioner in the Register of Codes of Practice.	Functional	No Relationship	N/A	N/A	N/A	0	
23(5)	Code of practice	If the Commissioner refuses to register the code of practice, the Commissioner shall notify the relevant data user forum of his decision in writing and provide the reasons for it.	Functional	No Relationship	N/A	N/A	N/A	0

24(2)(e)	Commissioner may issue code of practice	that the code of practice, upon having regard to all of the matters in paragraphs (a), (b) and (c) and any other matters, offers an adequate level of protection for the personal data of the data subjects concerned.	Functional	No Relationship	N/A	N/A	N/A	0	
24(3)	Commissioner may issue code of practice	The Commissioner may issue different codes of practice for different classes of data users.	Functional	No Relationship	N/A	N/A	N/A	0	
24(4)	Commissioner may issue code of practice	The code of practice issued by the Commissioner under subsection (1) shall be registered in the Register of Codes of Practice.	Functional	No Relationship	N/A	N/A	N/A	0	
24(5)	Commissioner may issue code of practice	The code of practice under subsection (1) shall take effect on the date of registration of the code of practice by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
24(6)	Commissioner may issue code of practice	The Commissioner shall make available to the public any code of practice issued by him under subsection (1). Applicable code of practice	Functional	No Relationship	N/A	N/A	N/A	0	
25(1)	Applicable code of practice	The Commissioner shall ensure that there is only one code of practice registered for a class of data users at a given time.	Functional	No Relationship	N/A	N/A	N/A	0	
25(2)	Applicable code of practice	All data users belonging to a class of data users shall comply with the relevant registered code of practice that is applicable to that class of data users at a given time.	Functional	No Relationship	N/A	N/A	N/A	0	
25(3)	Applicable code of practice	Where a code of practice is registered by the Commissioner under section 23 or 24, the Commissioner shall notify, in such manner as he may determine, the relevant class of data users to whom the code of practice is applicable—	Functional	No Relationship	N/A	N/A	N/A	0	
25(3)(a)	Applicable code of practice	of the identity of the code of practice concerned and the date on which the code of practice is to take effect; and	Functional	No Relationship	N/A	N/A	N/A	0	
25(3)(b)	Applicable code of practice	of the specific requirements under this Act for which the code of practice is issued and registered.	Functional	No Relationship	N/A	N/A	N/A	0	
25(4)	Applicable code of practice	If there is any uncertainty or ambiguity as to which code of practice is applicable to a particular data user or class of data users, the data user or person concerned may apply to the Commissioner for his opinion on which code of practice is the applicable code of practice in relation to the circumstances of such data user or person.	Functional	No Relationship	N/A	N/A	N/A	0	
25(5)	Applicable code of practice	The Commissioner shall provide his opinion within thirty days from the date of receipt of an application made under subsection (4).	Functional	No Relationship	N/A	N/A	N/A	0	
25(6)	Applicable code of practice	The Commissioner shall, when making his opinion under subsection (5), take into account any relevant previous opinions, if any.	Functional	No Relationship	N/A	N/A	N/A	0	
25(7)	Applicable code of practice	The Commissioner may withdraw an opinion made under this section if the Commissioner is satisfied that the nature of the activity engaged by the data user has changed materially. Revocation, etc., of code of practice	Functional	No Relationship	N/A	N/A	N/A	0	
26(1)	Revocation, etc., of code of practice	The Commissioner may revoke, amend or revise, whether in whole or in part, any code of practice registered under this Act—	Functional	No Relationship	N/A	N/A	N/A	0	
26(1)(a)	Revocation, etc., of code of practice	on his own accord; or	Functional	No Relationship	N/A	N/A	N/A	0	
26(1)(b)	Revocation, etc., of code of practice	upon an application by the data user forum or such bodies representing the data users.	Functional	No Relationship	N/A	N/A	N/A	0	
26(2)	Revocation, etc., of code of practice	The Commissioner shall, before revoking, amending or revising a code of practice under subsection (1), consult with—	Functional	No Relationship	N/A	N/A	N/A	0	
26(2)(a)	Revocation, etc., of code of practice	such data users or bodies representative of data users to which the code of practice shall apply, whether in whole or in part; and	Functional	No Relationship	N/A	N/A	N/A	0	
26(2)(b)	Revocation, etc., of code of practice	such other interested persons, as the Commissioner thinks fit.	Functional	No Relationship	N/A	N/A	N/A	0	
26(3)	Revocation, etc., of code of practice	Where any code of practice has been revoked, amended or revised under subsection (1), the Commissioner—	Functional	No Relationship	N/A	N/A	N/A	0	
26(3)(a)	Revocation, etc., of code of practice	shall enter the particulars of such revocation, amendment or revision in the Register of Codes of Practice; and	Functional	No Relationship	N/A	N/A	N/A	0	
26(3)(b)	Revocation, etc., of code of practice	shall notify the relevant data user forum, class of data users, data users and the public of such revocation, amendment or revision in such manner as may be determined by him.	Functional	No Relationship	N/A	N/A	N/A	0	
26(4)	Revocation, etc., of code of practice	The Commissioner shall make available to the public any code of practice as amended or revised by him under this section. Submission of new code of practice by data user forum	Functional	No Relationship	N/A	N/A	N/A	0	
27(1)	Submission of new code of practice by data user forum	A data user forum may submit a new code of practice to replace an existing code of practice.	Functional	No Relationship	N/A	N/A	N/A	0	
27(2)	Submission of new code of practice by data user forum	The new code of practice submitted in pursuance of subsection (1) shall be subject to the provisions of this Division. Register of Codes of Practice	Functional	No Relationship	N/A	N/A	N/A	0	
28(1)	Register of Codes of Practice	The Commissioner shall maintain a Register of Codes of Practice in accordance with section 128.	Functional	No Relationship	N/A	N/A	N/A	0	
28(2)	Register of Codes of Practice	The Register of Codes of Practice shall contain—	Functional	No Relationship	N/A	N/A	N/A	0	
28(2)(a)	Register of Codes of Practice	particulars of codes of practice registered under section 23 or 24 and any revocation, amendment or revision to such codes of practice under section 26; and	Functional	No Relationship	N/A	N/A	N/A	0	
28(2)(b)	Register of Codes of Practice	any opinion made by the Commissioner under section 25, including particulars of withdrawal of previous opinions. Non-compliance with code of practice	Functional	No Relationship	N/A	N/A	N/A	0	
29	Non-compliance with code of practice	A data user who fails to comply with any provision of the code of practice that is applicable to the data user commits an offence and shall, on conviction, be liable to a fine not exceeding one hundred thousand ringgit or to imprisonment for a term not exceeding one year or to both. Right of access to personal data	Functional	No Relationship	N/A	N/A	N/A	0	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
30(1)	Right of access to personal data	An individual is entitled to be informed by a data user whether personal data of which that individual is the data subject is being processed by or on behalf of the data user.	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
30(2)	Right of access to personal data	A requestor may, upon payment of a prescribed fee, make a data access request in writing to the data user— for information of the data subject's personal data that is being processed by or on behalf of the data user; and	Functional	No Relationship	N/A	N/A	N/A	0	
30(2)(a)	Right of access to personal data	In the case of a data user having separate entries in respect of personal data held for different purposes, a separate data access request shall be made for each separate entry.	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
30(2)(b)	Right of access to personal data	to have communicated to him a copy of the personal data in an intelligible form.	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
30(3)	Right of access to personal data	A data access request for any information under subsection (2) shall be treated as a single request, and a data access request for information under paragraph (2)(a) shall, in the absence of any indication to the contrary, be treated as extending also to such request under paragraph (2)(b).	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
30(4)	Right of access to personal data	In the case of a data user having separate entries in respect of personal data held for different purposes, a separate data access request shall be made for each separate entry.	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
30(5)	Right of access to personal data	Where a data user does not hold the personal data, but controls the processing of the personal data in such a way as to prohibit the data user who holds the personal data from complying, whether in whole or part, with the data access request under subsection (2) which relates to the personal data, the first-mentioned data user shall be deemed to hold the personal data and the provisions of this Act shall be construed accordingly. Compliance with data access request	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
31(1)	Compliance with data access request	Subject to subsection (2) and section 32, a data user shall comply with a data access request under section 30 not later than twenty-one days from the date of receipt of the data access request.	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
31(2)	Compliance with data access request	A data user who is unable to comply with a data access request within the period specified in subsection (1) shall before the expiration of that period—	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
31(2)(a)	Compliance with data access request	by notice in writing inform the requestor that he is unable to comply with the data access request within such period and the reasons why he is unable to do so; and	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
31(2)(b)	Compliance with data access request	comply with the data access request to the extent that he is able to do so.	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
31(3)	Compliance with data access request	Notwithstanding subsection (2), the data user shall comply in whole with the data access request not later than fourteen days after the expiration of the period stipulated in subsection (1). Circumstances where data user may refuse to comply with data access request	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
32(1)	N/A	A data user may refuse to comply with a data access request under section 30 if—	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
32(1)(a)	N/A	the data user is not supplied with such information as he may reasonably require—	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5	
32(1)(a)(i)	N/A	in order to satisfy himself as to the identity of the requestor; or	Functional	Intersects With	Data Subject Authentication	PRI-06.8	Mechanisms exist to utilize reasonable consumer expectations to verify a data subject's identity, prior to taking action to disclose, share, correct, amend and/or delete Personal Data (PD).	5	
32(1)(a)(ii)	N/A	where the requestor claims to be a relevant person, in order to satisfy himself—	Functional	Intersects With	Data Subject Authentication	PRI-06.8	Mechanisms exist to utilize reasonable consumer expectations to verify a data subject's identity, prior to taking action to disclose, share, correct, amend and/or delete Personal Data (PD).	5	
32(1)(a)(i)(A)	N/A	as to the identity of the data subject in relation to whom the requestor claims to be the relevant person; and	Functional	Intersects With	Data Subject Authentication	PRI-06.8	Mechanisms exist to utilize reasonable consumer expectations to verify a data subject's identity, prior to taking action to disclose, share, correct, amend and/or delete Personal Data (PD).	5	
32(1)(a)(i)(B)	N/A	that the requestor is the relevant person in relation to the data subject;	Functional	Intersects With	Data Subject Authentication	PRI-06.8	Mechanisms exist to utilize reasonable consumer expectations to verify a data subject's identity, prior to taking action to disclose, share, correct, amend and/or delete Personal Data (PD).	5	
32(1)(b)	N/A	the data user is not supplied with such information as he may reasonably require to locate the personal data to which the data access request relates;	Functional	Intersects With	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	5

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
34(1)(b)	Right to correct personal data	the data subject knows that his personal data being held by the data user is inaccurate, incomplete, misleading or not up-to-date, the requestor or data subject, as the case may be, may make a data correction request in writing to the data user that the data user makes the necessary correction to the personal data.	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
34(2)	Right to correct personal data	Where a data user does not hold the personal data, but controls the processing of the personal data in such a way as to prohibit the data user who holds the personal data from complying, whether in whole or in part, with the data correction request under subsection (1) which relates to the personal data, the first-mentioned data user shall be deemed to be the data user to whom such a request may be made and the provisions of this Act shall be construed accordingly. Compliance with data correction request	Functional	Intersects With	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	5	
35(1)	Compliance with data correction request	Subject to subsections (2), (3) and (5) and section 36, where a data user is satisfied that the personal data to which a data correction request relates is inaccurate, incomplete, misleading or not up-to-date, he shall, not later than twenty-one days from the date of receipt of the data correction request— make the necessary correction to the personal data;	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(1)(a)	Compliance with data correction request	supply the requestor with a copy of the personal data as corrected; and	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(1)(b)	Compliance with data correction request	subject to subsection (4), where—	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(1)(c)	Compliance with data correction request	the personal data has been disclosed to a third party during the twelve months immediately preceding the day on which the correction is made; and	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(1)(c)(i)	Compliance with data correction request	the data user has no reason to believe that the third party has ceased using the personal data for the purpose, including any directly related purpose, for which the personal data was disclosed to the third party, take all practicable steps to supply the third party with a copy of the personal data as so corrected accompanied by a notice in writing stating the reasons for the correction.	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(2)	Compliance with data correction request	A data user who is unable to comply with a data correction request within the period specified in subsection (1) shall before the expiration of that period—	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(2)(a)	Compliance with data correction request	by notice in writing inform the requestor that he is unable to comply with the data correction request within such period and the reasons why he is unable to do so; and	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(2)(b)	Compliance with data correction request	comply with the data correction request to the extent that he is able to do so.	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(3)	Compliance with data correction request	Notwithstanding subsection (2), the data user shall comply in whole with the data correction request not later than fourteen days after the expiration of the period stipulated in subsection (1).	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(4)	Compliance with data correction request	A data user is not required to comply with paragraph (1)(c) in any case where the disclosure of the personal data to a third party consists of the third party's own inspection of a register—	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(4)(a)	Compliance with data correction request	in which the personal data is entered or otherwise recorded; and	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(4)(b)	Compliance with data correction request	which is available for inspection by the public.	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(5)	Compliance with data correction request	Where a data user is requested to correct personal data under subsection 34(1) and the personal data is being processed by another data user that is in a better position to respond to the data correction request—	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(5)(a)	Compliance with data correction request	the first-mentioned data user shall immediately transfer the data correction request to such data user, and notify the requestor of this fact; and	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
35(5)(b)	Compliance with data correction request	sections 34, 35, 36 and 37 shall apply as if the references therein to a data user were references to such other data user. Circumstances where data user may refuse to comply with data correction request	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
36(1)	N/A	A data user may refuse to comply with a data correction request under section 34 if—	Functional	Intersects With	Disclosure Request Rejections	PRI-07.4	Mechanisms exist to reject disclosure requests that are: (1) Unjustified; (2) Unauthenticated or untrustworthy; and/or	5	
36(1)(a)	N/A	the data user is not supplied with such information as he may reasonably require—	Functional	Intersects With	Disclosure Request Rejections	PRI-07.4	Mechanisms exist to reject disclosure requests that are: (1) Unjustified; (2) Unauthenticated or untrustworthy; and/or	5

93(1)(d)	Appeal to Appeal Tribunal	the issuance of an enforcement notice under section 108;	Functional	No Relationship	N/A	N/A	N/A	0	
93(1)(e)	Appeal to Appeal Tribunal	the refusal of the Commissioner to vary or revoke an enforcement notice under section 109; and	Functional	No Relationship	N/A	N/A	N/A	0	
93(1)(f)	Appeal to Appeal Tribunal	the refusal of the Commissioner to carry out or continue an investigation initiated by a complaint under Part VIII, may appeal to the Appeal Tribunal by filing a notice of appeal with the Appeal Tribunal.	Functional	No Relationship	N/A	N/A	N/A	0	
93(2)	Appeal to Appeal Tribunal	The notice of appeal shall be made in writing to the Appeal Tribunal within thirty days from the date of the decision of the Commissioner, or in the case of an enforcement notice, within thirty days after the enforcement notice is served upon the relevant data user, and the appellant shall serve a copy of the notice of appeal upon the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
93(3)	Appeal to Appeal Tribunal	The notice of appeal shall state briefly the substance of the decision of the Commissioner against which an appeal is filed with the Appeal Tribunal, contain an address at which any notice or document connected with the appeal may be served upon the appellant or his advocate, and shall be signed by the appellant or his advocate. Record of decision of Commissioner	Functional	No Relationship	N/A	N/A	N/A	0	
94(1)	Record of decision of Commissioner	The aggrieved person referred to in subsection 93(1) may, on his own initiative, request in writing from the Commissioner a statement of the grounds for his decision.	Functional	No Relationship	N/A	N/A	N/A	0	
94(2)	Record of decision of Commissioner	Subject to subsection (3), the Commissioner shall, upon receiving the written request under subsection (1), provide to the aggrieved person, upon the payment of a prescribed fee, a copy of a statement of the grounds for his decision.	Functional	No Relationship	N/A	N/A	N/A	0	
94(3)	Record of decision of Commissioner	Where a notice of appeal has been filed with the Appeal Tribunal under subsection 93(1), the Commissioner shall, if he has not already written the grounds for his decision in respect of the matter stated in the notice under subsection 93(1), record in writing the grounds for his decision, and the written grounds shall form part of the record of proceedings before the Appeal Tribunal. Stay of decision pending appeal	Functional	No Relationship	N/A	N/A	N/A	0	
95(1)	Stay of decision pending appeal	A decision of the Commissioner shall be valid, binding and enforceable pending the decision of an appeal by the Appeal Tribunal, except where an appeal against an enforcement notice has been made to the Appeal Tribunal in accordance with subsection 93(2), or a stay of the decision of the Commissioner has been applied for under subsection (2) and granted by the Appeal Tribunal.	Functional	No Relationship	N/A	N/A	N/A	0	
95(2)	Stay of decision pending appeal	An aggrieved person may apply in writing to the Appeal Tribunal for a stay of the decision of the Commissioner on or after the notice of appeal has been filed with the Appeal Tribunal. Composition of Appeal Tribunal	Functional	No Relationship	N/A	N/A	N/A	0	
96(1)	Composition of Appeal Tribunal	Every proceeding of the Appeal Tribunal shall be heard and disposed of by three members or such greater uneven number of members of the Appeal Tribunal as the Chairman may in any particular case determine.	Functional	No Relationship	N/A	N/A	N/A	0	
96(2)	Composition of Appeal Tribunal	In the absence of the Chairman, the senior member of the Appeal Tribunal shall preside. Sitting of Appeal Tribunal	Functional	No Relationship	N/A	N/A	N/A	0	
97(1)	Sitting of Appeal Tribunal	The Appeal Tribunal shall sit on such dates and at such places as the Chairman may appoint.	Functional	No Relationship	N/A	N/A	N/A	0	
97(2)	Sitting of Appeal Tribunal	The Chairman may cancel or postpone any sitting of the Appeal Tribunal or change the place of the sitting which has been appointed under subsection (1).	Functional	No Relationship	N/A	N/A	N/A	0	
97(3)	Sitting of Appeal Tribunal	The Secretary to the Appeal Tribunal shall by written notice inform the parties to the appeal of any change to the date or place of any sitting of the Appeal Tribunal. Procedure of Appeal Tribunal	Functional	No Relationship	N/A	N/A	N/A	0	
98	Procedure of Appeal Tribunal	The Appeal Tribunal may regulate its own procedure. Decision of Appeal Tribunal	Functional	No Relationship	N/A	N/A	N/A	0	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
99(1)	Decision of Appeal Tribunal	The decision of the Appeal Tribunal on any matter shall be decided on a majority of members of the Appeal Tribunal.	Functional	No Relationship	N/A	N/A	N/A	0	
99(2)	Decision of Appeal Tribunal	A decision of the Appeal Tribunal shall be final and binding on the parties to the appeal. Enforcement of decision of Appeal Tribunal	Functional	No Relationship	N/A	N/A	N/A	0	
100	Enforcement of decision of Appeal Tribunal	A decision given by the Appeal Tribunal may, by leave of the Sessions Court, be enforced in the same manner as a judgment or order to the same effect, and where leave is so given, judgment may be entered in terms of the decision. Inspection of personal data system	Functional	No Relationship	N/A	N/A	N/A	0	
101(1)	Inspection of personal data system	The Commissioner may carry out an inspection of—	Functional	No Relationship	N/A	N/A	N/A	0	
101(1)(a)	Inspection of personal data system	any personal data system used by data users for the purpose of ascertaining information to assist the Commissioner in making recommendations to the relevant data user relating to the promotion of compliance with the provisions of this Act, in particular the, by the relevant data user; or	Functional	No Relationship	N/A	N/A	N/A	0	
101(1)(b)	Inspection of personal data system	any personal data system used by data users belonging to a class of data users for the purpose of ascertaining information to assist the Commissioner in making recommendations to the class of data users to which the relevant data user belongs relating to the promotion of compliance with the provisions of this Act, in particular the, by the class of data users to which the relevant data user belongs.	Functional	No Relationship	N/A	N/A	N/A	0	
101(2)	Inspection of personal data system	For the purposes of this section—“data user” includes a data processor; “personal data system” means any system, whether automated or otherwise, which is used, whether in whole or in part, by a data user for the processing of personal data, and includes the record maintained under section 44 and any document and equipment forming part of the system. Relevant data user, etc., to be informed of result of inspection	Functional	No Relationship	N/A	N/A	N/A	0	
102	Relevant data user, etc., to be informed of result of inspection	Where the Commissioner has completed an inspection of a personal data system, he shall in such manner and at such time as he thinks fit inform the relevant data user or class of data users to which the relevant data user belongs of—	Functional	No Relationship	N/A	N/A	N/A	0	
102(a)	Relevant data user, etc., to be informed of result of inspection	the results of the inspection;	Functional	No Relationship	N/A	N/A	N/A	0	
102(b)	Relevant data user, etc., to be informed of result of inspection	any recommendations arising from the inspection that the Commissioner thinks fit to make relating to the promotion of compliance with the provisions of this Act, in particular the, by the relevant data user or the class of data users to which the relevant data user belongs; and	Functional	No Relationship	N/A	N/A	N/A	0	
102(c)	Relevant data user, etc., to be informed of result of inspection	such other comments arising from the inspection as he thinks fit. Reports by Commissioner	Functional	No Relationship	N/A	N/A	N/A	0	
103(1)	Reports by Commissioner	The Commissioner may, after completing the inspection of any personal data system used by data users belonging to a class of data users, publish a report—	Functional	No Relationship	N/A	N/A	N/A	0	
103(1)(a)	Reports by Commissioner	setting out any recommendations arising from the inspection that the Commissioner thinks fit to make relating to the promotion of compliance with the provisions of this Act, in particular the, by the class of data users to which the relevant data users belong; and	Functional	No Relationship	N/A	N/A	N/A	0	
103(1)(b)	Reports by Commissioner	in such manner as he thinks fit.	Functional	No Relationship	N/A	N/A	N/A	0	
103(2)	Reports by Commissioner	A report published under subsection (1) shall be so framed as to prevent the identity of any individual from being ascertained. Complaint	Functional	No Relationship	N/A	N/A	N/A	0	
104	Complaint	Any individual or relevant person may make a complaint in writing to the Commissioner about an act, practice or request—	Functional	No Relationship	N/A	N/A	N/A	0	
104(a)	Complaint	specified in the complaint;	Functional	No Relationship	N/A	N/A	N/A	0	
104(b)	Complaint	that has been done or engaged in, or is being done or engaged in, by the data user specified in the complaint;	Functional	No Relationship	N/A	N/A	N/A	0	
104(c)	Complaint	that relates to personal data of which the individual is the data subject; and	Functional	No Relationship	N/A	N/A	N/A	0	
104(d)	Complaint	that may be a contravention of the provisions of this Act, including any codes of practice. Investigation by Commissioner	Functional	No Relationship	N/A	N/A	N/A	0	
105(1)	Investigation by Commissioner	Where the Commissioner receives a complaint under section 104, the Commissioner shall, subject to section 106, carry out an investigation in relation to the relevant data user to ascertain whether the act, practice or request specified in the complaint contravenes the provisions of this Act.	Functional	No Relationship	N/A	N/A	N/A	0	
105(2)	Investigation by Commissioner	Where the Commissioner has reasonable grounds to believe that an act, practice or request has been done or engaged in, or is being done or engaged in, by the relevant data user that relates to personal data and such act, practice or request may be a contravention of the provisions of this Act, the Commissioner may carry out an investigation in relation to the relevant data user to ascertain whether the act, practice or request contravenes the provisions of this Act.	Functional	No Relationship	N/A	N/A	N/A	0	
105(3)	Investigation by Commissioner	Part IX shall apply in respect of investigations carried out by the Commissioner under this Part. Restriction on investigation initiated by complaint	Functional	No Relationship	N/A	N/A	N/A	0	
106(1)	Restriction on investigation initiated by complaint	The Commissioner may refuse to carry out or continue an investigation initiated by a complaint if he is of the opinion that, having regard to all the circumstances of the case—	Functional	No Relationship	N/A	N/A	N/A	0	
106(1)(a)	Restriction on investigation initiated by complaint	the complaint, or a complaint of a substantially similar nature, has previously initiated an investigation as a result of which the Commissioner was of the opinion that there has been no contravention of the provisions of this Act;	Functional	No Relationship	N/A	N/A	N/A	0	
106(1)(b)	Restriction on investigation initiated by complaint	the act, practice or request specified in the complaint is trivial;	Functional	No Relationship	N/A	N/A	N/A	0	
106(1)(c)	Restriction on investigation initiated by complaint	the complaint is frivolous, vexatious or is not made in good faith; or	Functional	No Relationship	N/A	N/A	N/A	0	
106(1)(d)	Restriction on investigation initiated by complaint	any investigation or further investigation is for any other reason unnecessary.	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)	Restriction on investigation initiated by complaint	Notwithstanding the generality of the powers conferred on the Commissioner by this Act, the Commissioner may refuse to carry out or continue an investigation initiated by a complaint—	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(a)	Restriction on investigation initiated by complaint	if—	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(a)(i)	Restriction on investigation initiated by complaint	the complainant; or	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(a)(ii)	Restriction on investigation initiated by complaint	in the case where the complainant is a relevant person in relation to a data subject, the data subject or relevant person, as the case may be, has had actual knowledge of the act, practice or request specified in the complaint for more than two years immediately preceding the date on which the Commissioner received the complaint, unless the Commissioner is satisfied that in all the circumstances of the case it is proper to carry out or continue the investigation;	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(b)	Restriction on investigation initiated by complaint	if the complaint is made anonymously;	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(c)	Restriction on investigation initiated by complaint	if the complainant cannot be identified or traced;	Functional	No Relationship	N/A	N/A	N/A	0	

FDE #	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF #	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes
106(2)(d)	Restriction on investigation initiated by complainant	If the Commissioner is satisfied that the relevant data user has not been a data user for a period of not less than two years immediately preceding the date on which the Commissioner received the complaint; or	Functional	No Relationship	N/A	N/A	N/A	0	
106(2)(e)	Restriction on investigation initiated by complainant	in any other circumstances as he thinks fit.	Functional	No Relationship	N/A	N/A	N/A	0	
106(3)	Restriction on investigation initiated by complainant	Where the Commissioner refuses under this section to carry out or continue an investigation initiated by a complaint, he shall, as soon as practicable but in any case not later than thirty days after the date of receipt of the complaint, by notice in writing served on the complainant inform the complainant of the refusal and of the reasons for the refusal.	Functional	No Relationship	N/A	N/A	N/A	0	
106(4)	Restriction on investigation initiated by complainant	An appeal may be made to the Appeal Tribunal against any refusal specified in the notice under subsection (3) by the complainant on whom the notice was served or if the complainant is a relevant person, by the data subject in respect of whom the complainant is the relevant person. Commissioner may carry out or continue investigation initiated by complaint notwithstanding withdrawal of complaint	Functional	No Relationship	N/A	N/A	N/A	0	
107	Where the Commissioner is of the opinion that it is in	the public interest so to do, he may carry out or continue an investigation initiated by a complaint notwithstanding that the complainant has withdrawn the complaint and, in any such case, the provisions of this Act shall apply to the complaint and the complainant as if the complaint had not been withdrawn. Enforcement notice	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)	Enforcement notice	Where, following the completion of an investigation about an act, practice or request specified in the complaint, the Commissioner is of the opinion that the relevant data user—	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(a)	Enforcement notice	is contravening a provision of this Act; or	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(b)	Enforcement notice	has contravened such a provision in circumstances that make it likely that the contravention will continue or be repeated, then the Commissioner may serve on the relevant data user an enforcement notice—	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(b)(A)	Enforcement notice	stating that he is of that opinion;	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(b)(B)	Enforcement notice	specifying the provision of this Act on which he has based that opinion and the reasons why he is of that opinion;	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(b)(C)	Enforcement notice	directing the relevant data user to take such steps as are specified in the enforcement notice to remedy the contravention or, as the case may be, the matters occasioning it within such period as is specified in the enforcement notice; and	Functional	No Relationship	N/A	N/A	N/A	0	
108(1)(b)(D)	Enforcement notice	directing, where necessary, the relevant data user to cease processing the personal data pending the remedy of the contravention by the relevant data user.	Functional	No Relationship	N/A	N/A	N/A	0	
108(2)	Enforcement notice	In deciding whether to serve an enforcement notice, the Commissioner shall consider whether the contravention or the matter to which the enforcement notice relates has caused or is likely to cause damage or distress to the data subject of the personal data to which the contravention or matter relates.	Functional	No Relationship	N/A	N/A	N/A	0	
108(3)	Enforcement notice	The steps as specified in the enforcement notice to remedy the contravention or matter to which the enforcement notice relates may be framed—	Functional	No Relationship	N/A	N/A	N/A	0	
108(3)(a)	Enforcement notice	to any extent by reference to any approved code of practice; or	Functional	No Relationship	N/A	N/A	N/A	0	
108(3)(b)	Enforcement notice	so as to afford the relevant data user a choice between different ways of remedying the contravention or matter.	Functional	No Relationship	N/A	N/A	N/A	0	
108(4)	Enforcement notice	The period specified in the enforcement notice under subsection (1) for taking the steps specified in it shall not expire before the end of the period specified in subsection 93(2) within which an appeal against the enforcement notice may be made and, if such an appeal is made, those steps need not be taken pending the determination or withdrawal of the appeal.	Functional	No Relationship	N/A	N/A	N/A	0	
108(5)	Enforcement notice	Notwithstanding subsection (4), if the Commissioner is of the opinion that by reason of special circumstances the steps specified in the enforcement notice should be taken as a matter of urgency—	Functional	No Relationship	N/A	N/A	N/A	0	
108(5)(a)	Enforcement notice	he may include a statement to that effect in the enforcement notice together with the reasons why he is of that opinion; and	Functional	No Relationship	N/A	N/A	N/A	0	
108(5)(b)	Enforcement notice	where such a statement is so included, subsection (4) shall not apply but the enforcement notice shall not require those steps to be taken before the end of the period of seven days from the date on which the enforcement notice was served.	Functional	No Relationship	N/A	N/A	N/A	0	
108(6)	Enforcement notice	An appeal may be made to the Appeal Tribunal against an enforcement notice by the relevant data user in accordance with section 93.	Functional	No Relationship	N/A	N/A	N/A	0	
108(7)	Enforcement notice	Where the Commissioner—	Functional	No Relationship	N/A	N/A	N/A	0	
108(7)(a)	Enforcement notice	forms an opinion referred to in subsection (1) in respect of the relevant data user at any time before the completion of an investigation; and	Functional	No Relationship	N/A	N/A	N/A	0	
108(7)(b)	Enforcement notice	is also of the opinion that, by reason of special circumstances, an enforcement notice should be served on the relevant data user as a matter of urgency, he may so serve the enforcement notice notwithstanding that the investigation has not been completed and, in any such case—	Functional	No Relationship	N/A	N/A	N/A	0	
108(7)(b)(A)	Enforcement notice	the Commissioner shall, without prejudice to any other matters to be included in the enforcement notice, specify in the enforcement notice the reasons as to why he is of the opinion referred to in paragraph (b); and	Functional	No Relationship	N/A	N/A	N/A	0	
108(7)(b)(B)	Enforcement notice	the other provisions of this Act, including this section, shall be construed accordingly.	Functional	No Relationship	N/A	N/A	N/A	0	
108(8)	Enforcement notice	A person who fails to comply with an enforcement notice commits an offence and shall, on conviction, be liable to a fine not exceeding two hundred thousand ringgit or to imprisonment for a term not exceeding two years or to both. Variation or cancellation of enforcement notice	Functional	No Relationship	N/A	N/A	N/A	0	
109	Variation or cancellation of enforcement notice	The Commissioner may, on his own initiative or on the application of a relevant data user, vary or cancel the enforcement notice served under subsection 108(1) by notice in writing to the relevant data user if the Commissioner is satisfied with the action taken by the relevant data user to remedy the contravention. Authorized officers	Functional	No Relationship	N/A	N/A	N/A	0	
110	Authorized officers	The Commissioner may in writing authorize any officer appointed under sections 50 and 51 or any public officer to exercise the powers of enforcement under this Act. Authority card	Functional	No Relationship	N/A	N/A	N/A	0	
111(1)	Authority card	The Commissioner shall issue to each authorized officer an authority card which shall be signed by the Commissioner.	Functional	No Relationship	N/A	N/A	N/A	0	
111(2)	Authority card	Whenever the authorized officer exercises any of the powers of enforcement under this Act, he shall produce on demand to the person against whom the power is being exercised the authority card issued to him under subsection (1). Power of investigation	Functional	No Relationship	N/A	N/A	N/A	0	
112(1)	Power of investigation	An authorized officer may investigate the commission of any offence under this Act.	Functional	No Relationship	N/A	N/A	N/A	0	
112(2)	Power of investigation	For the avoidance of doubt, it is declared that for the purposes of this Act, the authorized officer shall have all or any of the special powers of a police officer of whatever rank in relation to police investigations in seizeable cases as provided for under the Criminal Procedure Code [Act 593], and such powers shall be in addition to the powers provided for under this Act and not in derogation thereof. Search and seizure with warrant	Functional	No Relationship	N/A	N/A	N/A	0	
113(1)	Search and seizure with warrant	If it appears to a Magistrate, upon written information on oath from the authorized officer and after such inquiry as the Magistrate considers necessary, that there is reasonable cause to believe that—	Functional	No Relationship	N/A	N/A	N/A	0
