646A.574(1)(a)(C)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	A copy of all of the consumer's personal data that the controller has processed or is processing;	Functional	Intersects With	Personal Data (PD) Exports	PRI-06.7	Mechanisms exist to export a data subject's available Personal Data (PD) in a readily usable format, upon an authenticated request.	5	
646A.574(1)(b)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Require a controller to correct inaccuracies in personal data about the consumer, taking into account the nature of the personal data and the controller's purpose for processing the personal data;	Functional	Intersects With	Correcting Inaccurate Personal Data (PD)	PRI-06.1	Mechanisms exist to maintain a process for: (1) Data subjects to have inaccurate Personal Data (PD) maintained by the organization corrected or amended; and (2) Disseminating corrections or amendments of PD to other authorized users of the PD.	5	
646A.574(1)(c)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Require a controller to delete personal data about the consumer, including personal data the consumer provided to the controller, personal data the controller obtained from another source and derived data; or	Functional	Intersects With	Right to Erasure	PRI-06.5	Mechanisms exist to maintain a process to erase a data subject's Personal Data (PD), in accordance with applicable laws, regulations and contractual obligations pertaining to the retention of their PD.	5	
646A.574(1)(d)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Opt out from a controller's processing of personal data of the consumer that the controller processes for any of the following purposes:	Functional	Subset Of	Notice of Right To Opt-Out	PRI-21	Mechanisms exist to include a notification to data subjects within the data privacy notice of: (1) Their right to direct an organization that sells or shares their Personal Data (PD) to stop selling or sharing their PD; and (2) The methods available to exercise that right.	10	
646A.574(1)(d)(A)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Targeted advertising;	Functional	Subset Of	Notice of Right To Opt-Out	PRI-21	Mechanisms exist to include a notification to data subjects within the data privacy notice of: (1) Their right to direct an organization that sells or shares their Personal Data (PD) to stop selling or sharing their PD; and (2) The methods available to exercise that right.	10	
646A.574(1)(d)(B)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Selling the personal data; or	Functional	Subset Of	Notice of Right To Opt-Out	PRI-21	Mechanisms exist to include a notification to data subjects within the data privacy notice of: (1) Their right to direct an organization that sells or shares their Personal Data (PD) to stop selling or sharing their PD; and (2) The methods available to exercise that right.	10	
646A.574(1)(d)(C)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	Profiling the consumer in furtherance of decisions that produce legal effects or effects of similar significance.	Functional	Subset Of	Notice of Right To Opt-Out	PRI-21	Mechanisms exist to include a notification to data subjects within the data privacy notice of: (1) Their right to direct an organization that sells or shares their Personal Data (PD) to stop selling or sharing their PD; and (2) The methods available to exercise that right.	10	
646A.574(2)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	A controller that provides a copy of personal data to a consumer under subsection (1)(a)(C) of this section shall provide the personal data in a portable and, to the extent technically feasible, readily usable format that allows the consumer to transmit the personal data to another person without hindrance.	Functional	Intersects With	Data Portability	PRI-06.6	Mechanisms exist to format exports of Personal Data (PD) in a structured, machine-readable format that allows data subjects to transfer their PD to another controller without hindrance.	5	
646A.574(3)	Consumer requests for personal data; requirement to correct inaccuracies; requirement to delete personal data; conditions under which consumer may opt out of personal data processing; format for providing copy of personal data to consumer	This section does not require a controller to disclose the controller's trade secrets, as defined in ORS 646.461, [2023 c.369 §3]	Functional	No Relationship	N/A	N/A	N/A	0

646A.576(1)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	A consumer may exercise the rights described in ORS 646A.574 by submitting a request to a controller using the method that the controller specifies in the privacy notice described in ORS 646A.578.	Functional	Subset Of	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and/or disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting, updated and/or sharing of their PD.	10	
646A.576(2)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	A controller may not require a consumer to create an account for the purpose described in subsection (1) of this section, but the controller may require the consumer to use an account the consumer created previously.	Functional	Intersects With	Data Subject Authentication	PRI-06.8	Mechanisms exist to utilize reasonable consumer expectations to verify a data subject's identity, prior to taking action to disclose, share, correct, amend and/or delete Personal Data (PD).	5	
646A.576(3)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	A parent or legal guardian may exercise the rights described in ORS 646A.574 on behalf of the parent's child or on behalf of a child for whom the guardian has legal responsibility. A guardian or conservator may exercise the rights described in subsection (1) of this section on behalf of a consumer that is subject to a guardianship, conservatorship or other protective arrangement.	Functional	Subset Of	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity (e.g., authorized agent, proxy, etc.), acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	10	
646A.576(4)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	A consumer may designate another person to act on the consumer's behalf as the consumer's authorized agent for the purpose of opting out of a controller's processing of the consumer's personal data, as provided in ORS 646A.574 (1)(d). The consumer may designate an authorized agent by means of an internet link, browser setting, browser extension, global device setting or other technology that enables the consumer to opt out of the controller's processing of the consumer's personal data. A controller shall comply with an opt-out request the controller receives from an authorized agent if the controller can verify, with commercially reasonable effort, the identity of the consumer and the authorized agent's authority to act on the consumer's behalf.	Functional	Subset Of	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity (e.g., authorized agent, proxy, etc.), acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	10	
646A.576(5)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	Except as otherwise provided in ORS 646A.570 to 646A.589, in responding to a request under subsection (1) of this section, a controller shall:	Functional	Subset Of	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	10	
646A.576(5)(a)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	Respond to a request from a consumer without undue delay and not later than 45 days after receiving the request. The controller may extend the period within which the controller responds by an additional 45 days if the extension is reasonably necessary to comply with the consumer's request, taking into consideration the complexity of the request and the number of requests the consumer makes. A controller that intends to extend the period for responding shall notify the consumer within the initial 45-day response period and explain the reason for the extension.	Functional	Subset Of	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	10	
646A.576(5)(b)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	Notify the consumer without undue delay and not later than 45 days after receiving the consumer's request if the controller declines to take action on the request. The controller in the notice shall explain the justification for not taking action and include instructions for appealing the controller's decision.	Functional	Subset Of	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	10	
646A.576(5)(c)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	Provide information the consumer requests once during any 12-month period without charge to the consumer. A controller may charge a reasonable fee to cover the administrative costs of complying with a second or subsequent request within the 12-month period, unless the purpose of the second or subsequent request is to verify that the controller corrected inaccuracies in, or deleted, the consumer's personal data in compliance with the consumer's request.	Functional	Subset Of	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	10	
646A.576(5)(d)	Method for requesting personal data; persons who may request personal data on consumer's behalf; designation by consumer; duties of controller; process for appealing controller's refusal of consumer request	Notify the consumer if the controller cannot, using commercially reasonable methods, authenticate the consumer's request without additional information from the consumer. A controller that sends a notification under this paragraph does not have to comply with the request until the consumer provides the information necessary to authenticate the request.	Functional	Subset Of	Data Subject Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to requests, complaints, concerns and/or questions from authenticated data subjects about Personal Data (PD) the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes.	10
